

We invite you to a

## Community Presentation in Waimea

✚ Waimea's Heritage Landscape: Negotiating Community-based Cultural and Natural Resource Planning in South Kohala

**Kamuela (Kamu) Plunkett**

Waimea's Heritage Landscape represents Waimea Kalana, a traditional land division that occupied most of South Kohala, including the coastline from Waiulaula Stream to Anaeho'omalu. Kamu's spatial, cultural, and temporal project seeks to preserve or restore the significance of this landscape's sense of place by raising the collective awareness of the community.

✚ The Ancient, Historic, and Modern History and Management of what is now the Ala Kahakai National Historic Trail

**Amy Keko'o Brown**

Trails were the ancient and historical roads in Hawaii. Keko'o will provide an overview of the past and current community and cultural importance of trails, as well as reasons for, and efforts to, preserve these important throughways.

Monday, June 25, 5:30 pm – 7:30 pm  
Kanu o ka 'Aina New Century Public Charter School

64-1043 Hi'iaka St.  
Kamuela, HI 96743
